### THE SUITABILITY OF THE SITE

Any advice and/or guidance contained within this website is subject to the Hong Kong regulatory regime, and is therefore restricted to consumers based in this jurisdiction.

Please note that the investment services mentioned in this website may not be suitable for all investors and we recommend that potential investors consult us if they are in any way unsure about the services on offer. Market and exchange rate movements may cause the capital value of investments and the income from them, to go down, as well as up and the investor may not get back the amount they originally invested. Investments involve risks. Before making any investment decision, you should read the relevant offering documents and in particular, the investment policies and the risk factors. You should ensure you fully understand the risks associated with the investment and should also consider your own investment objective and risk tolerance level. Remember, you are responsible for your investment decision. If in doubt, please seek independent investment financial and professional advice.

In addition, currency movements may also affect the value of investments. Past performance is no guarantee of future performance. The market commentaries represent an assessment of the market environment at a specific point in time and are not intended to be a forecast of future events, or a guide to future performance. The website is not prepared for any particular investment objectives, financial situation or requirements of any specific investor and does not constitute a representation that any investment strategy is suitable or appropriate to an investor's individual circumstances or otherwise constitute a personal recommendation. The information on the website is being provided strictly for informational purposes only and does not constitute an advertisement.
